## Children's Advocacy Center

The Children's Advocacy Center of Norfolk County is a collaboration of public and private agencies which provide services to children and families who experience physical, sexual, and domestic abuse. The Center develops resources and coordinates direct care to these children and families through a multi-disciplinary approach. The Children's Advocacy Center responds to the needs of children by providing child-friendly and culturally-sensitive services.

The Children's Advocacy Center (CAC) also responds to the needs of the community by facilitating education, training, outreach, networking, and advocacy programs.
